Page 4 of the Notice of Allowability sets forth the required changes to the drawings, which must be made no later than the payment of the issue fee. The agreed upon drawing changes have been made and a replacement sheet is enclosed herein.

The applicants also concur with, and have no changes to, the examiner's amendments to the specification as detailed in pages 2-3 of the Notice of Allowability. The applicants wish to thank the Examiner for the allowance of claims 1-9, and for the Examiner's amendment to the specification.
